To Whom It May Concern,

I have had the opportunity to work with Operation: Job Ready Veteran (OJRV) for seven years. They have demonstrated their commitment to serve Veterans in the State of Indiana and beyond.

The training program for Veterans has done a remarkable job preparing Veterans to go to work not just in our Region but across the State. They develop a deep connection with the disabled veteran community and with the Veteran's Center in Evansville. These connections allow them to outreach to Veterans that we, in the public workforce system, have had difficulty reaching.

I would like to close by saying that serving Veterans is a high priority in Region 11 and with the connection and partnership with OJRV, more Veterans have been served. Please feel free to contact me if you need more information.

Sincerely,

Sara Worstell

Executive Director
